About the Livingston Equipping Leaders Scholarship Fund

Scholarships are available to support and equip presbytery leaders – both lay and clergy – to participate in continuing education learning opportunities, conferences, Christian Education training, youth ministry training, interim ministry training, exploring the call to vocation, and other programs that will enhance their skills and equip them to serve and lead the presbytery, its congregations, and the wider church. Individual scholarships awarded are generally up to a maximum of \$750 per person per event and limited to one scholarship award per person per year. Scholarships may be for event registration, travel, meals, and/or lodging. Scholarships awarded will not exceed actual costs. The original proceeds of the Fund were contributions given for unrestricted scholarships in memory of Rev. Ethel Kay Livingston and her husband Rev. Bill Livingston.
